Instructions for Submitting Tender Bid

1. Tender bid can be sent by post/ courier or submitted by hand at our office by time as specified in tender notice. Tenders received late will be rejected.
2. Bid can be submitted by hand or by post/ courier. For bids submitted by post or Courier, it is bidder's responsibility that bid reaches our office on or before the scheduled time and date.
3. Tender bid should be sent in duly sealed cover, super-scribed with "**Tender for Designing, Erection, Supply, Installation, Testing and Commissioning of Primary Processing Center for Potato (PPC) by due date: 18.03.2021**". All the pages of Tender document should be signed and enclosed with the tender bid, as a token of acceptance of all terms and conditions as mentioned in the tender document.
4. All bids shall be opened in the presence of intending parties/ their authorized representative who will be present at the time of bid opening.
5. In case tender opening date is declared a Holiday, bids shall be opened on next working day at the same time specified above.
6. Any certificate/ document not found enclosed with the tender document as required for fulfilling the eligibility criteria of bid may lead to declaring the party as non-eligible and in this event their bid may not be considered and may be outrightly rejected. Bidder has to complete all the Annexure and submit along with this Tender Document signed.
7. Tender form shall be filled up legibly preferably typed giving full name and address of the tenderer, over writing, alterations/additions etc. will disqualify the tender unless such overwriting, alterations/ additions are attested and signed by bidder. Conditional/ telegraphic/ fax/ E-mail tenders shall be rejected.
8. The bidder shall have to enclose following documents along with Tender bid:
 - a. List of all the purchase orders duly indicating the name of client, his address, type & quantity of material and the date of Supply & Installation/ execution during the last 36 months along with at least one performance certificate (or frequent order

execution with same supplier) along with copy of the purchase orders executed in the last one year in same firm name and style.

- b. Any document (such as excise/ sales tax document) issued by Govt. or Semi Govt. Department which certifies/proves that the bidder is in business for the required period should be attached along with the Tender Bid.
- c. The bidder shall be registered with the office of competent authority or under statutory bodies at the time of bid opening in the same name and style. In order to support this bidder shall submit any of the following documents:

A copy of the Registration Certificate issued by the Registrar of Companies in case of firms of proprietary nature

OR

Copy of partnership deed in case of partnership firm

OR

Copy of article of association in case of Pvt. Ltd. Companies

OR

Copy of registration certificate for firms registered with NSIC/Central or State Govt. Department/ Local bodies for similar work

OR

Bidder shall enclose/mention the PAN and TAN number of the firm and to support this, he/she shall submit a photocopy of PAN/TAN certificate

OR

Bidder's firm shall be registered with Sales Tax Department. VAT/CST numbers shall be mentioned by the bidder and in support of this; he/she shall submit a photocopy of Sales Tax registration certificate duly renewed by the competent authority

- 9. Submitted documents shall be numbered and attached serially indicating serial number. Total number of pages enclosed shall be shown in the index.
- 10. ISO certified company may be preferred to others. A copy of valid license/ certificate should be attached with Tender Document.

11. Tender shall be accompanied with Tender Fees (Non-refundable) of amount **Rs. 1000/-** and EMD (Earnest Money Deposit) of **Rs. 3,00,000/-**. Tender fee and EMD should be in form of Demand Draft in favor of **Banaskantha District Co-operative Milk Producers' Union Limited**, payable at Palanpur. Tender bids without Tender Fees or EMD will automatically be rejected.
12. EMD of successful bidders shall be retained as security deposits without any interest till supplies are complete against the Supply Orders issued under this Contract. (i.e. Contract Period Completion)
13. Earnest money of unsuccessful bidder shall be returned after within 60 days from the finalizing of contracts, without any interest on it.
14. Validity of offers should be 120 days from the date of Bid Opening.
15. Rate shall be finalized based on the lowest offer strictly complying with specifications.
16. Parties who have been suppliers of our union or any milk union in the past also have to comply with all these conditions. No relaxation whatsoever shall be given to them.
17. Any offer received after due date or times shall be straightway rejected.
18. We reserve the right to accept or reject any quotation, to reject quotations for some or all items and to cancel the entire bidding process at any point of time without assigning any reason.
19. If any dispute or differences arises at any time between the two parties in respect of or concerning anything contained or arising out of contract shall be referred to sole arbitrator (i.e. our Incharge Managing Director). The decision of the arbitrator shall be final and binding on both the parties.
20. Canvassing in any form will lead to disqualification of the bid.
21. For all legal matters and disputes, Palanpur court shall be the Jurisdiction.

Seen and accepted
Signature of party with office stamp

Eligibility Criteria

Bidder should have successfully executed at least one project of value not less the Bid value of this Project or at least two projects of value not less than the 60 % of the Bid value of this project.

Note:

- Bidder is required to submit documentary evidence of the same i.e. duly signed copies of Purchase Order and Satisfactory Performance Certificate.
- More fulfillment of above eligibility criteria will not automatically ensure bidder's qualification/ short-listing for the award of contract and our decision on this matter will be final & binding.

General Terms and conditions for Bid

1. Project Completion shall be within Four Month from the date of Purchase Order / LOI.
2. Offers should be strictly according to our specification and scope of work, failing which it may not be considered. Item to be supplied has to be strictly as per Annexure for Scope of Work & Technical Specifications.
3. The officers of our Union shall be allowed to inspect the works and/ or any document referred to in the tender. If it is found that the declarations made by the bidder in Bid are false/ misleading/ faulty, the bidder shall be disqualified and the earnest money deposit submitted shall be forfeited.
4. Comprehensive Warranty/ guarantee (including repairs and replacement) for all items/ goods supplied shall be as detailed and mentioned in technical specifications and scope of work.

This Comprehensive warranty/ guarantee shall remain valid till warranty period mentioned in technical specification after the Goods have been delivered at site, installed and the system successfully tested, commissioned and accepted by the Purchaser.

Any complaint during this warrantee/ guarantee shall be attended to within 24 hours by the bidder at no cost. Upon receipt of such notice or complain, the Supplier shall, with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to the Purchaser. If the Supplier, having been notified, fails to remedy the defect(s) within a reasonable period, the Purchaser may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

The bidder warrants that the goods and equipment, supplied, installed and commissioned under the Contract are new, unused, of the most recent or current models and incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The supplier further warrants that the goods supplied under this Contract shall have no defect arising from design, materials or workmanship (except insofar as the design or material is required by the Purchaser's Specifications) or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions obtaining in the country of final destination.

The Supplier also guarantees that the Goods supplied shall perform satisfactorily as per the designed/ rated/ installed capacity as provided for in the Contract.

The Supplier shall guarantee the complete installation for satisfactory performance for a minimum period mentioned in technical specifications from the date of commissioning. Any defect arising out of faulty installation or use of substandard material or workmanship shall be rectified by the Supplier at his own cost.

Please Note:

- Initial acceptance of goods is not the final acceptance of quality.
 - In case materials/ services are found to be substandard at any level, on receipt of the same Banas Dairy reserves the right to reject the material outrightly. Labor Charges, if any will also be recovered from the bidder. Banas Dairy reserves the right to send your material for testing at any laboratory of our choice and in case the result is found unsatisfactory, it also reserves the right to take any action as deemed fit.
 - Supplier's warrantee certification should be provided as per warrantee/ guarantee mentioned herewith along with operational & maintenance manual.
5. Inspection and Tests: The Purchaser or its representative shall have the right to inspect and/ or test the Goods to confirm their conformity to the Contract. The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at point of delivery and/or at the Good's final destination.

Should any inspected or tested Goods fail to conform to the Specifications, the Purchaser may reject them and the Supplier shall either replace the rejected Goods or make all alternations necessary to meet specification requirements free of cost to the Purchaser.

The Purchaser's right to inspect, test, and where necessary, reject the Goods after the Goods arrival at the destination shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to Goods shipment.

6. Supplier will be responsible to organize pre-visit of the site before initiation of any supply and also will be required to submit detailed report regarding the readiness of site.
7. Storage of Equipment: The Supplier shall be responsible for the proper storage and maintenance of all materials/ equipment under Supplier's custody. Supplier shall take all required steps to carry out frequent inspection of equipment/ materials stored as well as erected equipment until the same are taken over by the Purchaser.
8. Testing and Commissioning: The Supplier shall operate, maintain and give satisfactory trial run of the equipment satisfactorily for a maximum period as mutually agreed by supplier/ purchaser/ owner of the equipment at the rated output. All rectification of damages/ defects and routine trouble shooting should be carried out by the Supplier. During this period, Supplier shall incorporate/ execute necessary minor modifications during the trial period for maximizing operational efficiency. The Supplier should also execute minor modifications as may be suggested by the manufacturer/ Purchaser. The supplier shall suggest recommended log sheet Performa for recording necessary operating data and pass it on to the Purchaser in proof of satisfactory rated output and performance of the equipment.

The Supplier shall demonstrate proper working of all mechanical and electrical controls, safety and protective device, in presence of the Purchaser's engineer and the same should be duly recorded.

After conducting testing, in case particular equipment is not working properly or not giving rated output the Supplier will furnish a detailed report to the Purchaser stating therein the detailed account of the performance of the equipment with possible reasons for improper or not working of the same.

Further, before the commencement of testing or commissioning, the Purchaser reserves the right to invite the original manufacturer's representative at the cost of the Suppliers for start-up help, assist and guide the Supplier during commissioning in any of following cases:

- a. The Supplier has no previous experience of commissioning and start-up of the similar equipment
- b. The Purchaser is of the opinion that the Supplier is not capable to commission and start-up of certain specific equipment

However, in either of the cases the manufacturer's representatives would be called with prior information to the Supplier and the Supplier will have to extend all co-operations to such representatives in good spirit and in the interest of the work.

The necessary quantities of consumables, miscellaneous spares etc., required for the installation, commissioning, testing and start-up of all the equipment till handing over are to be supplied the Supplier and nothing extra would be paid for these.

9. Cleaning of Site: All soils, filth or other matters of offensive nature taken out of any trench, drain or other places shall not be deposited on the surfaces, but shall at once be carted away by the Supplier from the site of work for proper disposal.

The Supplier shall not store or place the equipment, materials or erection tools on the drive ways and passages and shall take care that his work in no way restricts or impedes traffic or passage of men and materials during erection, the Supplier shall without any additional payment, at all time keep the working and storage area used by him free from accumulation of dust or combustible materials, waste materials rubbish packing, wooden planks to avoid fire hazards and hindrance to other works.

If the Supplier fails to comply with these requirements in spite of written instructions from the Purchaser, the Purchaser will proceed to clear these areas and the expenses incurred by the Purchaser in this regard shall be payable by the Supplier. Before completion of the work, the supplier shall remove or dispose off in a satisfactory manner all scaffolding, temporary structures, waste and debris and leave the premises in a condition satisfactory to the Purchaser. Any packing materials received with the equipment shall remain as the

property of the Purchaser at the completion of his work and before final payment; the Supplier shall remove and shall restore the site to neat workman like conditions at his cost.

10. Risk Purchase: In case of delayed supplies/ erection/ commissioning, purchase/ execution of work may be completed at the risk, cost and responsibility of the supplier after expiry of scheduled date without any notice. Extra amount spent on Risk Purchase/ completion of work shall be adjusted against the earnest money/ pending payments or same shall be recovered from your firm.

We will reserve the right to effect risk purchase/ execution of the work in case of non-fulfillment of any of various terms and conditions of the contract by the supplier at his risk & cost.

11. Import license and foreign exchange variation: No import license shall be provided by the BANAS DAIRY for goods offered against this bid. Necessary clearances/ licenses from the concerned Authorities for any imported goods/items offered shall be obtained by the bidder at his cost & responsibility.

Non-availability of or delay in obtaining license/ clearance shall not, under any circumstances, entitle the bidder to seek any compensation/relaxation under the contract and/or relieve the bidder from any of his obligations under the contract. Foreign Exchange, Duties etc. variation, if any, shall also be to the account of the bidder and no price escalation will be given.

12. Maintaining ethical standards in business: It is highly necessary for the suppliers to ensure that business ethics are maintained at the highest degree with Our Union. In no case we will be able to tolerate any unethical practice by the supplier by way of offering either cash or in kind or compensation in any form either to get the rejected material accepted or to get higher volume of the business than the approved quantity.

By any chance if it comes to our notice that you or any of your employee/ representative/ Agent has tried to initiate such unfair business practices with any of our employee or any of the employee/ decision maker of our Union even with/ without any documentary evidences, the same shall be considered as a cancellation of Purchase order. and we reserve our right to terminate/suspend the Purchase order and the contract during any time without assigning any reason thereof.

13. Insurance: The goods supplied under the contract shall be fully insured against loss or damage incidental to manufacturer or acquisition, transportation, storage & further installation at site and till successfully handed over to purchaser along with delivery in the manner specified in the special conditions of contract. If any loss or damage occurs during supply of goods under contract, the supplier shall make arrangement for repair and replacement of any damaged, item/s in stipulated time.

14. Performance Security: Successful bidder shall be required to furnish a performance security in form of Bank Guarantee of 10 % Value of the executed order valid for entire warranty period from the date of successful Testing and commissioning. In case of failure in submission of appropriate bank guarantee, same amount will be retained from supplier's bill. Bank Guarantee should be from any Nationalized Bank having at least one branch at Palanpur.
15. For delay in Supply, Installation & Commissioning of goods, a late penalty @ 0.5% per week shall be deducted subject to a maximum of 5 % of the contract price. On further delays order shall be liable to be cancelled. However, our Incharge Managing Director can waive off such penalty depending upon the reasons for delay.
16. Delivery of Goods: Material shall be delivered at the destination as specified in the Purchase Order on any working days (except Sundays & holidays)
17. Payment Terms: 30% advance Payment against Advance Bank Guarantee, 50% within 30 days of satisfactory receipt of material at site on progressive basis, 20% after the completion of project and against the submission of appropriate bank guarantee.

Note: Erection/ commissioning should, however, be completed within 15 days of the receipt of respective material at site in any case.

18. Other Commercial Terms and Conditions:

- a. Invoices will be raised in the name of Banaskantha Dist. Co-Op. Milk Producers' Union Ltd., Palanpur
 - b. Supplier will be required to submit two copies of invoices
 - c. All the taxes will be charged in Invoice
 - d. In case of any change in tax rate, the same shall be applicable as per statutory norms
19. Force Majeure: If any Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
 20. Purchaser's Instructions: The Purchaser may in his absolute discretion, issue from time to time drawings and/ or instructions, directions and clarifications which are collectively referred to as Purchaser's instructions. These instructions will be binding on the supplier.
 21. Training of Personnel: Necessary staff, as may be deputed by the Purchaser, shall be trained by the Supplier for operating the equipment. The personnel will be associated for the training during the installation, testing, commissioning and start-up period and the training tenure can be extended for a period of one week from the date of commissioning and start-

up.

22. Approvals: The Supplier shall obtain all the necessary legal approvals.
23. Jurisdiction: Settlement of any dispute out of the Supply Order/ contract against this bid shall be subject to the courts at Palanpur only.
24. Data on firm: Please send data on your firm and information in the enclosed Annexure. The tender bid received without above information or with incorrect information may not be considered.

EQUIPMENT SPECIFICATION: -

Sr. No Technical Details Technical Specification Data Bidder to Specify

1 Receiving Hopper - Design should be Sturdy and Robust

- Robust Hopper Floor Chain
- Sturdy Support structures to withstand heavy load while tipping of loaded trucks.
- Proper cup formation in belt
- Height adjustment to adjust in feed height
- VFD controlled
- Gentle product handling
- Hydraulic adjustment to increase or decrease the out feed height
- Hydraulic adjustment to adjust the distance between the rollers of pre sorter
- Sturdy draw bar for easy movement of the hopper
- Heavy tyre axle to withstand the dynamic load
- Mechanical jack
- Length: As per design OEM
- Holding Capacity: 5-6 MT material holding capacity on belt.
- Belt Type: PVC belt
- Wheel of standard make. 20 TPH Bidder to Confirm the all Technical specification & provide all details specified in "Technical Specification" column

2 Pre-Sorter/soil remover - It is used to pre grade smaller potato and removes soil stucked on the potato.

- Width: As per design OEM, shall meet the required capacity
- No. of Rollers: As per design OEM.
- MOC:SS 304
- Chain Sprocket drive to the rollers
- Distance between rollers should be adjustable :20mm-45mm

20 TPH Bidder to Confirm the all Technical specification & provide all details specified in "Technical Specification" column

3 Potato waste Belt conveyor:

- Width & length: As per design OEM
- Belt type: Web bar belt
- Equipped with bag holder
- Reversible - Bidder to Confirm all Technical specification & provide all details specified in "Technical Specification" column Bag Holder Capacity-
- Width & Length –
- MOC of Belt -

4 Soil Removal Conveyor: - Width & length: As per design OEM

- Belt type: PVC belt
- Reversible - Bidder to Confirm all Technical specification & provide all details specified in "Technical Specification" column specification.
- Width & Length –
- MOC of Belt -

5 Product transfer conveyor: - Width length: As per design OEM

- Belt Type: PVC belt - Bidder to Confirm all Technical specification & provide all details specified in "Technical Specification" column.
- Width & Length –
- MOC of Belt -

6 Product transfer Elevator: - Width length: As per design OEM

- Belt Types: PVC belt with Cleats
- VFD control
- Big hopper to store extra material
- Smooth product transfer to inspection table
- MOC: MS powder coated 20 TPH - Bidder to Confirm all Technical specification & provide all details specified in "Technical Specification" column Width & Length –
- MOC of Belt -

6 Roller inspection table with platform - Width & length: As per design OEM. Inspection table with 4 Person standing.

- Inspection lane on both sides.
- Separate waste collection lane.
- A special PVC roller belt which allows people to do inspection on all surface
- Drive: chain sprocket
- VFD controlled
- Ergonomically designed lanes
- Provision to give light to inspect during night
- Ergonomically designed platform with MS chequered plate
- MOC: MS Powder Coated 20 TPH - Bidder to Confirm the all Technical specification & provide all details specified in "Technical Specification" column

7 Wastage Conveyor - Width & length: As per design OEM

- Belt tyre: PVC belt
- Reversible - Bidder to Confirm the all Technical specification & provide all details specified in "Technical Specification" column

8 Diversion Conveyor with Bag Holder - Width & length: As per design OEM

- Belt type: PVC belt

- Individual drive to both conveyers

- Reversible - Bidder to Confirm the all Technical specification & provide all details specified in "Technical Specification" column

9 - PPC unit should be movable on pneumatic wheel

10 Scope of work - The scope of work includes supply, erection, testing and commissioning of The Grader line at three different locations at society level complete in all Respects including training to our operators.

- Including Electrical and control panel with required accessories.

Material should be FOR at our three identified destination in Banaskantha District.

Make: PPC should be make: All-round, Grimmi, Grishnich, NSSPL

1. Bearing: SKF,TATA,NBC

2. Motor Gearbox-Crompton, Helicon Etc.

3. Belt type:Ferrner

4. VFD:Denfos, AB, Siemens

Scope of work:

The scope of work includes supply, erection, testing and commissioning of the PPC line at three identified VCS of Banaskantha District in all respects including training to our operators, without any extra charges.

Primary Processing Centre (PPC)

Set: one line of PPC at Ratanpur of Banaskantha

District namely:

Village: Ratanpur (Bhildi), Taluka- Deesa, District- Banaskantha. 385535. Gujarat.

EQUIPMENT SPECIFICATION: -

Sr. No Technical Details Technical Specification Data Bidder to Specify

1 Receiving Hopper - Design should be Sturdy and Robust

- Robust Hopper Floor Chain

- Sturdy Support structures to with stand heavy load while tipping of loaded trucks.

- Proper cup formation in belt

- Height adjustment to adjust in feed height

- VFD controlled

- Gentle product handling

- Hydraulic adjustment to increase or decrease the out feed height

- Hydraulic adjustment to adjust the distance between the rollers of pre sorter

- Sturdy draw bar for easy movement of the hopper

- Heavy tyre axle to withstand the dynamic load
- Mechanical jack
- Length: As per design OEM
- Holding Capacity: 5-6 MT material holding capacity on belt.
- Belt Type: PVC belt
- Wheel of standard make. 20 TPH Bidder to Confirm the all Technical specification & provide all details specified in "Technical Specification" column
- 2 Pre-Sorter/soil remover - It is used to pre grade smaller potato and removes soil stuck on the potato.
- Width: As per design OEM, shall meet the required capacity
- No. of Rollers: As per design OEM.
- MOC:SS 304
- Chain Sprocket drive to the rollers
- Distance between rollers should be adjustable :20mm-45mm

20 TPH Bidder to Confirm the all Technical specification & provide all details specified in "Technical Specification" column

3 Potato waste Belt conveyor:

- Width & length: As per design OEM
- Belt type: Web bar belt
- Equipped with bag holder
- Reversible - Bidder to Confirm all Technical specification & provide all details specified in "Technical Specification" column
- Bag Holder Capacity-
- Width & Length –
- MOC of Belt -

4 Soil Removal Conveyor: - Width & length: As per design OEM

- Belt type: PVC belt
- Reversible - Bidder to Confirm all Technical specification & provide all details specified in "Technical Specification" column
